SATURDAY, APRIL 30th, 2016 @ 9am

Broad Ripple Park: 1550 Broad Ripple Avenue, Indianapolis, Indiana 46220

What is the event?

The 2nd Annual Jumpin' for Jazz Walk for Those Who Can't is a walk-a-thon to help raise funds for those impacted by Friedrich's Ataxia (FA) a rare, untreatable and incurable disease inherited at birth.

Even with intensive care, Friedrich's Ataxia becomes a deadly disorder that destroys nerves, impairs motor skills (including the ability to walk), leads to heart complications, and loss of speech.

Jumpin' for Jazz is an Indianapolis-based 501 (c)(3) non-profit organization that funds research and medical devices for those with FA. Named for Jazmyne Harris, it serves all children with FA, throughout Indiana and around the country. Contributions may be tax deductible. Please consult your tax advisor.
